

Tour of the TurningPoint Toolbar

When you open TurningPoint, PowerPoint opens and the TurningPoint toolbar is displayed beneath the PowerPoint standard and formatting toolbars in the upper region of the window, as the following image depicts.

The Following descriptions define the buttons that make up the tools in the TurningPoint toolbar. The numbered labels in the previous image show you the location of each tool.

- 1** Activate/Update Allows you to submit the license information for TurningPoint software and upgrades. Find information about installation and customer support in About TurningPoint.
- 2** Reset Returns the response tallies from the audience to zero for all slides in the session or only the current slide. Find information about polling the audience in How to Run a Presentation Session.
- 3** Continue Prior Session Opens a previously saved session. A session is a run-through of a presentation where an audience has submitted responses to some or all of the questions. Find information about continuing a prior session in How to Run a Presentation Session.
- 4** Save Session Stores the current session for retrieval later. Find information about saving sessions in How to Run a Presentation Session.
- 5** Insert Slide Displays a menu of TurningPoint slides that you select to create a presentation. Find information about TurningPoint slides in How to Create Slides.
- 6** Convert to Picture Slide Use to assign and order pictures as answers instead of text. Find information about picture slides in How to Create Slides.
