Directions:

Today you will be taking the Ohio Grade 4 Writing Achievement Test. This is a test of how well you write. Three different types of questions appear on this test: fill-in, multiple choice and response to writing prompts.

There are several important things to remember:

1. Read each question carefully. Think about what is being asked. If a graph or other diagram goes with the question, look at it carefully to help you answer the question. Then choose or write the answer that you think is best.
2. When you write your answers, write them neatly and clearly in the space provided using a pencil.
3. When you are asked to select the answer, make sure you fill in the circle next to the correct answer. Mark only one answer.
4. If you do not know the answer to the question, skip it and go on. If you have time, go back to the questions you skipped and answer them before you hand in your Student Test Booklet.
5. If you finish the test early, you may check over your work. When you are finished and your Student Test Booklet has been collected, you may take out your silent work.

Items 1-6 have not been slated for public release in 2006.
